

ADVANCED COURSE
INTERVENTIONAL GI ENDOSCOPY TECHNIQUES

ASIA IRCAD – TAIWAN

14 SEPTEMBER, 2017

Thursday September 14, 2017

07.00 am Shuttle-bus from Hotel to IRCAD Taiwan
08.00 am Welcome- Introduction H.S. Wu and J. Wang

SESSION 1: THEORETICAL SESSION

Introduction to interventional endoscopic techniques

Chairmen C. Spada, M. Barthet

08:05 am	Endoscopic submucosal dissection essentials	J.Hamanaka (Japan)
08:20 am	Discussion	
08:25 am	Chromoendoscopy and high resolution endoscopy	C. Khor (Singapore)
08:40 am	Discussion	
08:45 am	Staging before EMR and ESD: which tools do we need?	C.B. Ryu (Korea)
09:00 am	Discussion	
09:05 am	EMR and Snare resection techniques: Which indications?	T. Beyna (Germany)
09:20 am	Discussion	
09:25 am	Endoscopic accessories, knives: features and benefits	G. Rahmi (France)
09:40 am	Discussion	
09:45 am	Optimal settings of electrocauteries and environment for ESD procedures	M. Man-I
10:00 am	Discussion	
10:05 am	Management of complications of ESD procedures	J.Hamanaka (Japan)
10:20 am	Discussion	
10:25 am	Preparation, handling and evaluation of the resected specimen	J. Wang (Taiwan)
10:40 am	Discussion	
10:45 am	Coffee Break	

11:00 am ***LIVE OPERATIVE DEMONSTRATIONS FROM HOSPITAL AND
LABORATORY: EMR AND ESD***

Chairman C. Spada and I.Boškosi

Operators:
J.Hamanaka
C.B. Ryu
C. Khor
G. Rahmi

01.00 pm ***Lunch at the Institute***

02.00 pm ***EXPERIMENTAL LABORATORY***
Practice on anaesthetized animals
Chairman: J.Hamanaka and G. Rahmi

EMR and ESD

All Faculty

06.00 pm **End of the day session– Shuttle bus from IRCAD Taiwan to**

ERCP
BASIC TRAINING COURSE

ASIA IRCAD – TAIWAN

15 SEPTEMBER, 2017

Friday September 15, 2017

07.00 am Shuttle-bus from Hotel to IRCAD Taiwan

08.00 am Welcome- Introduction

SESSION 1: THEORETICAL SESSION

Chairmens: HS. Wu and J. Wang

Introduction to the principles of ERCP

R. Tang and T. Beyna

08:05 am ERCP for beginners, where to start? R. Tang (Hong-Kong)

08:20 am Discussion

08:25 am Indications to ERCP T. Beyna (Germany)

08:40 am Discussion

08:45 am Cannulation and sphincterotomy techniques C. Khor (Singapore)

09:00 am Discussion

09:05 am Management of biliary stones R. Tang (Hong-Kong)

09:20 am Discussion

09:25 am Techniques and indications for plastic and metal stents placement
and strictures management

T. Beyna (Germany)

09:40 am Discussion

09:45 am Avoiding and prevention of bilio-pancreatic complications I. Boskoski (Italy)

10:00 am Discussion

10:05 am Management and definition of biliary strictures C. Khor (Singapore)

10:20 am Discussion

10:25 am Coffee Break

11:00 am ***LIVE OPERATIVE DEMONSTRATIONS
FROM HOSPITAL AND LABORATORY:***

Chairmen:
C. Khor

Operators:
C. Khor
I. Boskoski
R. Tang
T. Beyna

01.00 pm Lunch at the Institute

This program may be subject to modifications

EXPERIMENTAL LABORATORY

Practice on mechanical simulators Chairman I. Boskoski and R. Tang

- 02.00 pm Practice on the Boškoski-Costamagna ERCP mechanical trainer. Basic biliary and pancreatic cannulation techniques, stones extraction technique, biliary and pancreatic stent placement technique (plastic and SEMS), multiple stents placement, stricture management technique, balloon biliary dilation technique. *All Faculty*
- 06.00 pm End of the day session – Shuttle bus from IRCAD Taiwan to Hotel

CAPSULE ENDOSCOPY COURSE

ASIA IRCAD – TAIWAN

SATURDAY SEPTEMBER 16, 2017

Saturday September 16, 2017

07:00 am	Shuttle-bus from Hotel to IRCAD Taiwan	
08:00 am	Welcome- Introduction	HS. WU and C. Spada
<u>SESSION 1: Technical description and main indications</u>		
		Chairman C. Spada and R. Eliakim
08:05 am	Overview of capsule endoscopy: description of the available technology	
08:25 am	Discussion	G. Rahmi (France)
08:30 am	Patient selection: indications, contraindications, patient preparation	
08:50 am	Discussion	C. Spada (Italy)
09:00 am	Hands On - Getting Started - How to perform capsule endoscopy (reading software)	T. Beyna (Germany)
09:20 am	Discussion and Hands On	
10:00 am	Capsule Endoscopy and Obscure Gastrointestinal Bleeding	
		R. Eliakim (Israel)
10:20 am	Coffee break	
10:40 am	Obscure Gastrointestinal Bleeding: Discussion and Hands On	All faculty
11:20 am	Capsule Endoscopy and IBD	
11:40 am	Discussion and Hands On	R. Eliakim (Israel)
12:20 am	Polyposis, Tumors and Coeliac disease	
12:40 am	Discussion and Hands On	T. Beyna (Germany)
01.20 pm	Lunch at the Institute	

SESSION 2: Clinical indications of capsule endoscopy and colon capsule

02:00 pm	Capsule Endoscopy in special situations (Pacemakers, capsule retention)	<i>G. Rahmi (France)</i>
02:20 pm	Discussion	
02:30 pm	Hands On: Interpreting difficult cases	<i>All Faculty</i>
03:30 pm	Colon Capsule	
03:45 pm	Discussion and Hands On	<i>C. Spada (Italy)</i>

04:30 pm **Closing remarks**
