Asian EUS Congress 2023

The bi-annual Asian EUS Congress is a flagship congress organized by the Asian EUS Group. After being postponed due to COVID-19, we are excited to announce that the 4th congress will be held in Hong Kong from 24th to 25th June 2023 at Kerry Hotel under the leadership of Prof Anthony Teoh. This will be an international congress featuring cutting edge EUS technologies and conjoint symposiums with Korean Society of Digestive Endoscopy, Japanese Gastroenterological Society, Thai Association of Gastroenterology, Chinese Society of Digestive Endoscopy and many more groups. There will also be technology sessions, company sponsored symposiums and hands-on sessions. We expect there to be 400-500 participants internationally joining the Congress.

We are confident that the symposium program will provide a wonderful forum for you to refresh your knowledge and explore various endoscopic innovations. The Conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with the leading scientists and researchers, friends and colleagues as well as sponsors and exhibitors.

Hello & Welcome

Dear Friends and Colleagues,

It is of my greatest pleasure to welcome you in joining the 4th Asian EUS congress. The appearance of COVID-19 in the past 3 years have severely affected our daily activities and many of our education activities have taken an online format. With loosening of quarantine measures in Hong Kong, we are extremely excited to hold the meeting in a physical format again! To celebrate the return the flagship congress of the Asian EUS group, the organizing committee have organized a comprehensive program covering various aspects of basic to advanced EUS. Furthermore, there will be a hands-on program on site and various industrial sponsored symposium. We are confident that the symposium program will provide a wonderful forum for you to refresh your knowledge and explore various endoscopic innovations. The Conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with the leading scientists and researchers, friends and colleagues as well as sponsors and exhibitors. We hope you will join us for a symphony of outstanding science, and take a little extra time to enjoy the spectacular and unique beauty of this region.

It is great pleasure to announce AEG Congress will be held in Hong Kong at June 23, 24th, 2023 as the chairman of AEG. We have fight with COVID-19 for last 3 years, then we have to postpone this congress 2 years. During COVID-19, AEG organized many workshops including local workshop, Interventional Workshops, and Train the Trainer workshops. However, Steering committee have decided this AEG Congress should be organized physically (Face to Face), not by Web. Professor Anthony Teoh, president of this AEG Congress, has prepared wide spectrum program including basic to advanced issues, especially each country symposiums, and live demonstration etc. As you know, Aims of AEG are distribution of EUS knowledge and experience, making guideline of EUS, and multicenter trials on EUS. AEG Congress is the highlight of distribution of EUS knowledge and experience. We hope we would like to share each knowledge and experience, discuss the clinical problems, and find these solutions at coming AEG Congress!!!

We are sincerely welcome to your attendance and presenting your works at AEG Congress in Hong Kong and looking forward to meeting you physically.

Day 1 – Hall 1

08:00-09:00

Endohepatology

- EUS-guided liver biopsy – Tae-Hyeon Kim
- EUS-portal pressure gradient measurement – Nonthalee Pausawasdi
- How to incorporate Endohepatology to routine practice? – Rajesh Puri
- Discussion

Moderators: Ang Tiing Leong, Jong-Ho Moon

09:00-10:00

India Symposium - EUS biliary intervention

- Hepaticoduodenostomy - when to consider & how? - Vinay Dhir
- Distal malignant biliary obstruction: EUS HGS or CDS - the debate continues - Rajesh Puri
- ERCP vs EUS-BD for primary biliary drainage: the debate continues - Praveer Rai
- Biliary intervention in Benign disease: where can EUS replace Percutaneous intervention? - Sundeep Lakhtakia

Moderators: Sundeep Lakhtakia, Dong Wan Seo

10:00-10:30

Break – Booth presentation – COOK Medical

10:30-11:00

Opening Ceremony

11:00-11:30

Presidential lecture - Mitsuhiro Kida

Moderator: Anthony Teoh

11:30-12:30

Live Demonstration from King Chulalongkorn Memorial Hospital, Thailand

Moderators: Yuk Tong Lee, Rajesh Puri, Tae-Hyeon Kim

12:30-13:30

Live Demonstration

Mitsuhiro Kida, Hsiu-Po Wang, Anthony Teoh, Nonthalee Pausawasdi

Moderators: David But, Kenjiro Yasuda, Amol Bapaye

13:30-14:30

Lunch Symposium - Boston Scientific

14:30-15:30

Live Demonstration

Mitsuhiro Kida, Hsiu-Po Wang, Anthony Teoh, Nonthalee Pausawasdi

Moderators: Kam Ngai Kung, Yousuke Nakai, Lawrence Ho

15:30-16:30

EUS-guided vascular therapy

- EUS-guided variceal management. - Atsushi Irisawa
- EUS-guided arterial therapy - Praveer Rai
- EUS-guided portal vein interventions - Raymond Tang
- Discussion

Moderators: Nilay Mehta, Koji Matsuda

Day 1 – Hall 1

16:30-17:30

EUS-guided ablative therapy

- What is the current status of EUS RFA? – Dong Wan Seo
- EUS-guided insertion of radioactive beads for pancreatic cancer – Can Xu
- EUS-oncosil injection, a potential paradigm shift? – Nam Nguyen
- Discussion

Moderators: Guoqiang Xu, Raymond Tang

19:00

Dinner Symposium

Day 1 – Hall 2

08:00-09:00

Rapid fire session - EUS-guided tissue acquisition

- Discussion on issues concerning EUS-guided tissue acquisition (40 min)
 - Discussants: Vikram Bhatia, Charing Chong, Mitsuhiro Kida
- AEG guidelines of EUS-guided tissue acquisition - Charing Chong

Moderators: Mitsuhiro Kida, David But

09:00-10:00

EUS in indeterminate stricture

- Approach to indeterminate biliary strictures: cholangioscopy or EUS first?
 - Jong Ho Moon
- Role of EUS guided tissue acquisition in indeterminate biliary strictures
 - Amol Bapaye
- Role of contrast enhanced EUS in indeterminate biliary strictures
 - Charing Chong
- Discussion

Moderators: Sundeep Lakhtakia, Dong Wan Seo

10:00-10:30

Break – Booth presentation – COOK Medical

10:30-11:00

Opening Ceremony

11:00-11:30

Presidential lecture - Mitsuhiro Kida

Moderator: Anthony Teoh

11:30-12:30

Mekon Symposium - EUS-guided drainage of pancreatic fluid collections

- Which approach should we choose for our patient: transmural, transpapillary, percutaneous or surgical drainage? - Ho Dang Quy Dung
- Technique and stent selection for endoscopic transpapillary drainage - Thanawat Luangsukrer
- Long term outcome after EUS-guided drainage - Stanley Khoo
- Management of pancreatic duct injury - Rajesh Puri
- Discussion

Moderators: Pradermchai Kongkam, Anthony Teoh

12:30-13:30

The Role of EUS in Tumour Staging

- EUS in ampullary tumour - Koji Matsuda
- EUS in GIST - Frederick Dy
- EUS in indeterminate pancreatic mass - Yang Ai-Ming
- Discussion

Moderators: Ida Hilmi, Wang Dong

13:30-14:30

Lunch Symposium - Boston Scientific

Day 1 – Hall 2

14:30-15:30

EUS Injection Therapy

- EUS-guided celiac plexus ablation, what is the best technique? – Ichiro Yasuda
- EUS-guided alcohol injection - Qin Shan-yu
- EUS-injection of oncogenic viruses - Reiko Ashida
- Discussion

Moderators: Ji-Kon Ryu, Yang Ai-Ming

15:30-16:30

Indo-Malay-Sing Symposium - EUS in Pancreatobiliary Malignancy

- Pre-operative EUS evaluation – does it still play a role? - Ang Tiing Leong
- Tissue acquisition in the age of targeted therapy - Stanley Khoo
- Case discussions with interactive voting
 - Case 1 Singapore – Andrew Kwek
 - Case 2 Malaysia - Alex Hwong-Ruey Leow
 - Case 3 Indonesia - Cosmas Rinaldi Lesmana
- EUS guided therapies of pancreatic malignancies, is it ready for prime time

Moderators: Ida Hilmi, Dong Wan Seo

16:30-17:30

EUS Guided Gallbladder Drainage

- EUS-guided gallbladder drainage for acute cholecystitis, the way to go! - Sang-Soo Lee
- Peroral cholecystoscopy – Shannon Chan
- EUS-guided gallbladder drainage in surgical candidates. Is there a role? – Anthony Teoh
- Discussion

Moderators: Vinay Dhir, Jong-Kyun Lee

19:00

Dinner Symposium

Day 1 – Hall 3

08:00-09:00	Oral Abstract Presentation Moderators: Jonard Tan Co, Kam Ngai Kung

Asian EUS Group Prestigious Lectureship – Kenjiro Yasuda

Moderator: Mitsuhiro Kida

11:00-12:00

Rapid fire session – What is the optimal approach... Surgery vs Radiology vs EUS

- Malignant distal biliary obstruction – Stanley Khoo
- Malignant hilar obstruction – Shomei Ryozaawa
- Acute cholecystitis – Sang-Soo Lee
- Gastric outlet obstruction – Sundeep Lakhtakia

Moderators: Takuji Iwashita, Larry Lai

12:00-13:00

JSGE Symposium – Biliary drainage in altered anatomy, what is the best approach?

- Hepaticojejunostomy anastomotic strictures – Tomohisa Iwai
- Malignant biliary obstruction – Takuji Iwashita
- Common bile duct stones – Yousuke Nakai
- Discussion – Takao Itoi

Moderators: Mitsuhiro Kida, Tae-Hyeon Kim

13:00-14:00

Lunch Symposium – MI Tech

14:00-15:00

Advanced EUS-BD

- EUS-Rv ERCP: tips and tricks – Thawee Ratanachu-EK
- EUS-guided antegrade drainage vs transmural drainage. What is the better technique? – Vinay Dhir
- How can we perform EUS-CDS and HGS safely and effectively – Hiroyuki Isayama
- Discussion

Moderators: Ichiro Yasuda, Cosmas Rinaldi Lesmana

15:00-16:00

Greater China Symposium

- EUS-guided gastroenterostomy with free hand technique – Yu-Ting Kuo
- EUS-guided gastroenterostomy with double balloon occluder – Shannon Chan
- EUS-guided retrievable anchor-assisted gastroenterostomy – Sun Siyu
- Current evidence and outcomes of EUS-guided gastroenterostomy – Anthony Teoh
- Discussion – All faculties

Moderators: Yang Ai-Ming, Hsiu-Po Wang

Day 2 – Hall 2

08:00-09:00

● Rapid fire session – Management of WON

- Discussion on issues concerning management of WOPN
Discussants: Rajesh Puri, Mohan Ramchandani, Yousuke Nakai
 - AEG guidelines on EUS management of WOPN – Sundeep Lakhtakia
- Moderators:** Payal Saxena, Ghias Un Nabi Tayyab

09:00-10:00

● West Asia Symposium

- Introduction EUS in Saudi Arabia – Majid Abdulrahman Hamad Almadi
 - Lessons learnt from introducing EUS in Pakistan – Ghias Un Nabi Tayyab
 - The journey of EUS in UAE – Yogesh Shastri
 - Discussion – All participants
- Moderators:** Yogesh Shastri, Koji Matsuda

10:00-10:30

● Break - Booth presentation – Pentax

10:30-11:00

● Asian EUS Group Prestigious Lectureship - Kenjiro Yasuda

Moderator: Mitsuhiro Kida

11:00-12:00

● KSGE Symposium – Management of pancreatic cystic tumors

- What is the value of EUS in the decision of surgery? – Jong Kyun Lee
- Role of EUS needle based confocal endomicroscopy (nCLE) and cystoscopy useful in diagnosis of pancreatic cystic neoplasm – Linghu Enqiang
- Does EUS-guided through the needle biopsy improve diagnosis of pancreatic cystic neoplasms – Tae Jun Song
- Techniques and outcomes of EUS-guided pancreatic cyst ablation – Ryu Ji-Kon
- Discussion

Moderators: Tae-Hyeon Kim, Kenjiro Yasuda

12:00-13:00

● Image enhanced EUS

- The role of contrast-harmonic enhanced EUS – Masayuki Kitano
- The role of elastography and shear wave measurement in EUS – Raymond Tang
- Probe-based confocal laser endomicroscopy (pCLE), is it helpful for diagnosis? – Pradermchai Kongkam
- Discussion

Moderator: Ang Tiing Leong

13:00-14:00

● Lunch Symposium – MI Tech

Day 2 – Hall 2

14:00-15:00

EUS guided pancreatic duct drainage

- Case 1: EUS-guided PDD for chronic pancreatitis – Kazuo Hara
- Case 2: EUS-guided PDD for pancreaticojejunostomy stricture – Akio Katanuma
- Case 3: EUS-guided pancreatic duct rendezvous ERCP – Shomei Ryozaawa
- Techniques and outcomes in EUS-guided pancreatic duct drainage – Takao Itoi
- Discussion

Moderators: Amol Bapaye, Charles Vu Kien Fong

15:00-16:00

Future of EUS

- New endoscope systems for EUS – Hiroyuki Isayama
- Artificial intelligence in EUS – Lawrence Ho
- Novel devices and stent systems in for EUS drainage – Jong-Ho Moon
- Discussion

Moderators: Kazuo Hara, Rajesh Puri

Day 2 – Hall 3

08:00-09:00

09:00-10:00

● **Pathological handling of specimens**

- FNAC – how should it be done? – Pankaj Desai
- FNAB – how should it be done? – Angus Chu
- What is the role of next generation sequencing in EUS-guided biopsy? – Lawrence Ho
- Discussion

Moderators: Mathew Philip, Alex Leow

10:00-10:30

● **Break - Booth presentation – Pentax**

10:30-11:00

● **Asian EUS Group Prestigious Lectureship – Kenjiro Yasuda**

Moderator: Mitsuhiro Kida

11:00-12:00
