

MUMBAI LIVE ENDOSCOPY 2013

THE CHANGING FACE OF GI ENDOSCOPY

11th Mumbai LIVE Endoscopy 2013

Venue: Grand Hyatt, Mumbai, India

Date: 5th, 6th, 7th & 8th of September 2013

Course Chairman: Amit Maydeo

Course Director: Vinay Dhir

Course Co-ordinators: S P Bhandari, Mukta Bapat, Nitin Joshi & Rohan Maydeo

Organized by:

Under the auspices of:

Indian College of
Endoscopy

Endoscopy
Research
Foundation

In association with: Deccan Society of GI Endoscopy - DSGE
& Gastrointestinal Foundation of Thane - GIFT

Message from the Course Chairman

On behalf of the Baldota Institute of Digestive Sciences (BIDS) and the Association of Interventional GI Endoscopy of India (AIGE) Foundation, it gives me immense pleasure to announce the 11th MUMBAI 'LIVE' Endoscopy course to be held in Mumbai from the 5th to the 8th of September this year.

All of us know that today Gastrointestinal Endoscopy has evolved to be a powerful therapeutic modality. Techniques and technology have changed over the past 6 decades and GI Endoscopy has become an integral part of practicing the art of medical and surgical gastroenterology.

The theme of this landmark congress will be the 'Changing face of GI Endoscopy'. During this 3 day endoscopy festival, we have planned focused academic sessions on 'Luminal Endoscopy', 'Biliary Endoscopy', 'Pancreatic endoscopy' and the evolving role of 'Endoscopic surgery'. This will be covered in a series of Keynote video lectures, focused and interactive discussions, debates and 'LIVE' procedures.

With a carefully selected International and National faculty you will surely learn the finer aspects of the technique of simple as well as complex endoscopic procedures from the Masters of this specialty. You will also witness how endoscopic technology has evolved over the past few decades and how to make the best & judicious use of it.

The congress will be held in the conveniently located Grand Hyatt hotel in Mumbai where most of the registered delegates will be housed. The procedures will be beamed LIVE from the Baldota Institute of Digestive Sciences (BIDS) at the Global hospital in Mumbai. I would request you to please send in your registration as soon as possible to avoid disappointment later.

I am sincerely looking forward to welcoming you all in September this year for this very interesting and academic endoscopy festival.

A handwritten signature in black ink that reads "Amit Maydeo". The signature is stylized with a large, sweeping 'A' and a long horizontal line extending from the end.

Dr Amit Maydeo, MS,FACS
Course Chairman

Faculty from Mumbai / DSGE and GIFT

Leading Gastroenterologists,
Endoscopists and GI Surgeons from Mumbai,
Gastrointestinal Foundation of Thane and
Deccan Society of GI Endoscopy

Tentative Programme Agenda

Thursday 5th September 2013

ENDOSCOPY MASTERCLASS BY LEADING WORLD EXPERTS

(Brought to you specially by the Indian College of Endoscopy)

- EMR / ESD / POEM - Masterclass
- ERCP - Masterclass
- EUS – Masterclass

MASTER ORATION in the evening before the welcome reception and faculty dinner

Speaker: Prof. Nib Soehendra, Hamburg, Germany

Topic: 'My Life in GI Endoscopy'

Friday 6th September 2013

LUMINAL ENDOSCOPY FESTIVAL

(All you wanted to know in Luminal GI endoscopy)

Endoscopy Updates (Latest updates on contemporary burning topics)

- GERD and Barrett's
- Early cancers of the esophagus and stomach
- Submucosal tumors – Role of ESD, STER procedures

Symposium – Obscure Gastrointestinal Bleeding

More Endoscopy Updates

- EUS for upper GI Abnormalities
- Management of Large colonic polyps
- Management of Achalasia cardia – Balloon, POEM or Heller's
- Management of luminal obstruction in upper GI tract

6 HOURS OF LIVE ENDOSCOPY DEMONSTRATIONS

Saturday 7th September 2013

BILIARY ENDOSCOPY FESTIVAL

(Enjoy the science and art of biliary endoscopy)

Biliary Endoscopy Updates (Latest updates on contemporary burning topics)

- Evaluation of Bile duct pathology (CT / MRI / EUS / ERCP / PET)
- Tissue diagnosis of bile duct lesions
- Management of large bile duct stones

Symposium – Pre-operative bile duct drainage in the era of expandable metallic stents

JANG DILAWARI ORATION

Speaker: Rob Hawes, Orlando, USA

Topic: 'The Future of Biliary Endoscopy'

6 HOURS OF LIVE ENDOSCOPY DEMONSTRATIONS

OLYMPUS DINNER SYMPOSIUM

(Changing face of GI Endoscopy)

Speaker 1: Alessandro Repici

Topic: 'The Changing face of Diagnostic GI Endoscopy'

Speaker 2: Pankaj Pasricha

Topic: 'The Changing face of Interventional GI Endoscopy'

YOUNG ENDOSCOPISTS VIDEO COMPETITION (With attractive prizes)

Sunday 8th September 2013

PANCREATIC ENDOSCOPY FESTIVAL

(Conquering the final frontier)

Pancreatic Endoscopy Updates (Latest updates on contemporary burning topics)

- Management of recurrent pancreatitis
- Treatment of pseudocysts and pancreatic fluid collections
- Endoscopic treatment of WOPN

4 HOURS OF LIVE ENDOSCOPY DEMONSTRATIONS

NAGESHWAR REDDY ORATION

Speaker: Simon Lo, Los Angeles, USA

Topic: 'The role of pancreatic endotherapy in chronic pancreatitis'

Other Congress Highlights

• **Breakfast & Lunch with the Guru's of Endoscopy**

(Special sessions brought to you by the 'Endoscopy Gurukul' of Boston Scientific India)

Total of 12 Breakfast sessions – 4 on each day from 7.30am to 8.30am on 6th, 7th and 8th on practical topics in GI Endoscopy).

• **The 'AIGE' Young Endoscopist's Video competition**

(For endoscopists less than 45 years age – Three best videos will be awarded attractive prizes) – Video's in MPG or AVI format in a CD should reach Dr Vinay Dhir before the 19th of August 2013.

• **The Young Investigator Plenary session**

(For endoscopists less than 40 years age – Send in your abstracts on any interesting and unique study to Dr Vinay Dhir before August 1st 2013 on vinaydhir@gmail.com. 6 best abstracts will be selected. The participants will be given a free air ticket and hotel stay during the congress.

• **High definition transmission of endoscopy through special fibreoptic link.**

• **Experience some of the latest technology & techniques in GI Endoscopy in the world at present** (Special instruments for endoscopic suturing, Exact technique of submucosal tunneling and removal of large flat polyps, New clips for closing luminal defects, New double bending endoscope, Endoscopy with NBI and AFI together for picking up early cancers, New Spyglass cholangioscope, New types of sphincterotomes, balloons, baskets, guide wires for ERCP and many more!).

• **Attractive course material** (A special DVD of various interventional endoscopy procedures brought you by the BIDS)

• **GALA BANQUET ON 7TH NIGHT** (An evening of fun, frolic and friendship).

About Mumbai

Mumbai is one of the most populous cities in India with around 20 million people and constitutes the world's 4th largest urban agglomeration.

The Mumbai port is situated on the west coast of India and handles around 60% of India's maritime cargo.

Originally consisting of 7 islands and belonging to the fishing communities, Mumbai emerged in the 18th century as a significant trading town of India. Today it has become the commercial and entertainment centre of India and generates 5% of India's GDP, 25% of the Industrial output, 40% maritime trade and 70% of India's capital transactions to the Indian Economy.

Mumbai also houses 'Bollywood' which is the world's most prolific film industry.

Over the years, Mumbai has evolved to be India's major trading center and a global financial hub. It is therefore known to be the commercial, economic and medical capital of India.

The climate of Mumbai is predominantly tropical and could be warm and rainy with the near end of the monsoon season. The temperature could vary anywhere between 25 to 35 degrees Celsius.

Registration Information

 **Direct Post or E-mail**
Fill up the attached registration form or download the PDF version from our website www.bidshealthcare.org
Send the registration form properly filled along the registration fees by DD in favor of **Endoscopy Research Foundation** on the address of the congress secretariat.

 **On-line registration**
Click on our website www.bidshealthcare.org and then click on congress announcement pop-up. Then click on 'On-line' registration. You can then register and pay by credit card through our secure gateway. This facility will start by the end of June.

 **Telephone**
Kindly deposit your DD or cheque in favor of:
Endoscopy Research Foundation at your nearest Axis Bank branch.
The account number to deposit your cheque is 149010100073291 (Napean Sea Branch).
Then call us on +91 22 24383498 or +91 98207 00291 to inform us about the details of the payment and yourself.

 **Last date of registration**
Last date of registration is 20th of August 2013.
Please register early to avoid disappointment later.

 **Cancellation Policy**
The registration fee minus Rs 1500/- (Administrative fees) will be refunded only if a written notification is received by us before 14th of August 2013.

If you have any queries on the registration

Call Mr. Vikram Patwardhan, Event Manager on +91 98207 00291 or
Mr. Sehajad on +91 98673 03277 or Dr Amit Maydeo on +91 98200 53277

Please register early to avoid disappointment !

Registration Information

Registration fees

Delegates on twin sharing basis (Per person).....	Rs 15,000
Delegates on single room occupancy basis.....	Rs 28,000
Delegates with one accompanying person.....	Rs 30,000
Delegates with one accompanying person + child (5-12).....	Rs 32,000
Registration for non-residents.....	Rs 9,500
Non-resident Registration for PG students (with HOD letter).....	Rs 6,000
Residential PG student registration with triple occupancy.....	Rs 14,000
Registration for foreign delegates with Hotel stay.....	US\$700
Registration for foreign delegates with one accompanying person.....	US\$900

Registration fee includes

3 nights and 3 days stay at the Grand Hyatt or Trident Hotel (Thursday afternoon check in and Sunday evening check out) with Breakfast, Lunch, Dinner included (Along with the Gala Banquet), attendance to all scientific sessions, exhibition and all the course material.

Registration fee does not include

Telephone calls Extra meals, Room service, Use of mini-bar in the room, extended stay, Laundry and use of extra facilities like SPA. Each delegate will be requested to give their credit card details (For the extra expenses) and photo identification at the check in counter of the Hotel.

Registration fee for non-residents does not include

Breakfast on all the days and use of house guest facilities like rooms, swimming pool etc.

Last date of registration – 20th August 2013

Register now by sending your demand draft / cheque or avail of our on-line registration which will start from 20th June 2013

The Association of Interventional GI Endoscopy of India (AIGE - Foundation)

The AIGE (Foundation) is a non-profit organization established in the year 2012 to achieve the following objectives:

1. To promote scientific and ethical use of Interventional endoscopy.
2. To promote education in the field of Interventional endoscopy by organizing training programs and fellowship programs.
3. To disperse knowledge and practise of Interventional endoscopy in smaller cities and towns by providing training opportunities for endoscopists serving in these areas.
4. To provide platform for Indian endoscopists to interact and network with International experts in the field.
5. To conduct and promote research in the field of Interventional endoscopy.
6. To create and sustain organizations and associations to fulfil the goals and mission of foundation.

The Indian College of Endoscopy (ICE)

Indian College of EndoscopySM (ICE) is a not for profit educational Institute established under the auspices of AIGE foundation. The College is located at the Baldota Institute of Digestive Sciences, Global Hospitals, Panel, Mumbai.

ICE is the first and only college in India to offer structured GI endoscopy courses recognized by the Maharashtra University of Health Sciences (MUHS) of the Government of Maharashtra.

Candidate selection, training, and certification will be done in accordance with the rules and regulations of the University. The courses will be run under supervision of expert faculty of ICE. In addition, ICE plans to take steps to improve the current curricula for advanced endoscopy training, by liaising with organizations in India and abroad.

About The Baldota Institute of Digestive Sciences (BIDS)

BIDS | Baldota Institute of
Digestive Sciences

Global hospital, Mumbai

The BIDS is a comprehensive health science complex for Gastroenterology and GI Endoscopy located on the 3rd floor of the Global hospital of Mumbai at Parel.

Spread out over 15,000 square feet, this advanced GI Institute has various speciality divisions as follows

- 1: Division of Clinical Gastroenterology
- 2: Division of Diagnostic Endoscopy (High magnification, NBI, AFI, Capsule endoscopy, Enteroscopy)
- 3: Division of Biliary and Pancreatic Endoscopy (ERCP, Cholangio-pancreatography)
- 4: Division of Endoscopic Ultrasonography (EUS, EUS+FNAC/B, IDUS, EBUS, EUS guided therapy)
- 5: Division of Lithotripsy
- 6: Division of Gastrointestinal Physiology (Manometry, PH metry)
- 7: Division of Interventional Endoscopy and Endoscopic Surgery (EMR, ESD, POEM, NOTES)
- 8: Division of Endoscopy Training & Education (Endoscopy Gurukul, Indian College of Endoscopy, AIGE-Foundation)
- 9: Division of Clinical and Basic Research

The Institute is manned by 6 full time Gastroenterologists and 9 part-time Gastroenterologists and provides comprehensive, advanced and compassionate care to any patient having a GI related problem.
