CALL FOR ABSTRACTS

Abstract Submission Deadline: February 1, 2019

The ANMA & KSNM Joint Meeting 2019 cordially invites you to submit your abstracts for oral and poster presentations (In English). All congress abstracts must be submitted online via the "Online Submission System". Submitted abstracts will be reviewed by the Scientific Program Committee. For more information and online submission, please visit the ANMA 2019 online website <http://www.anma2019.org>

REGISTRATION

Pre-Registration Deadline: February 28, 2019

All participants are required to register through the ANMA & KSNM Joint Meeting 2019 online registration system and advised to register in advance (by February 28, 2019) to receive the Pre-registration discount. Related information is posted on the ANMA 2019 website <http://www.anma2019.org>

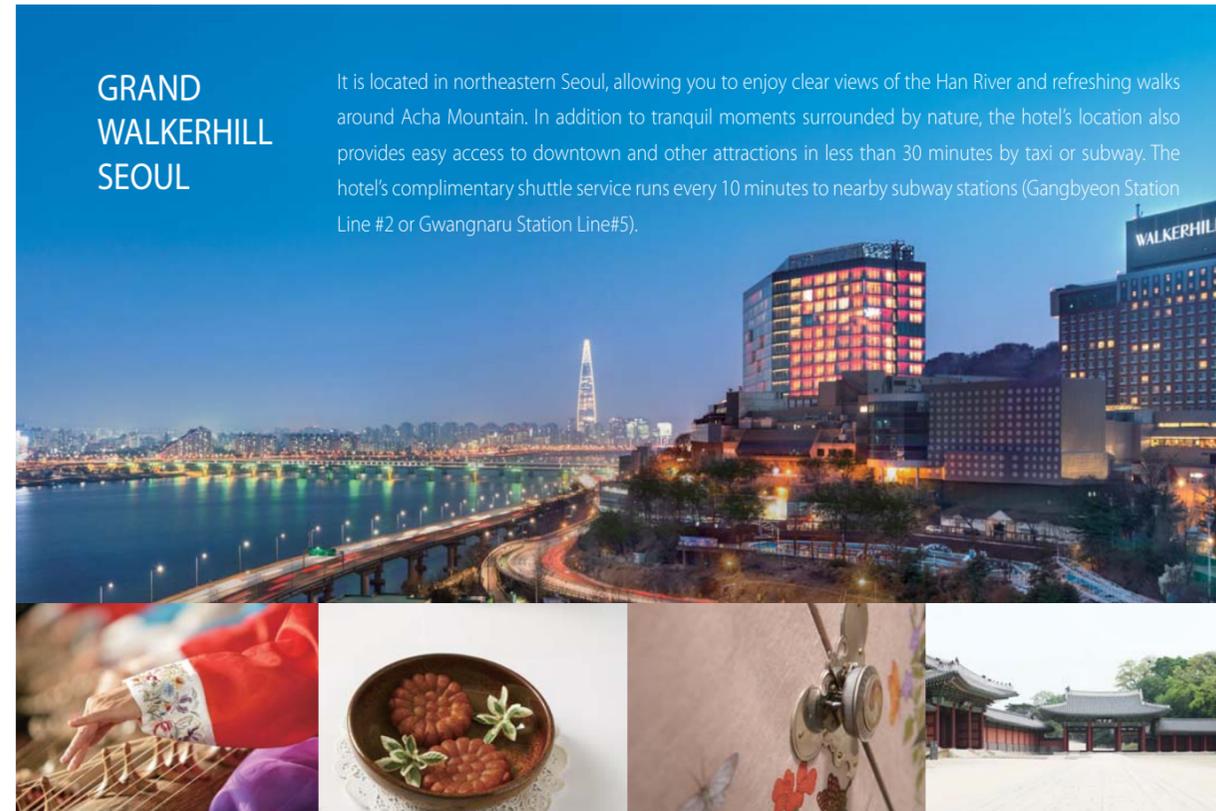

Pre-Congress visit to high volume center for one week

Participants will experience current best-practices and pick up Neurogastroenterology and Motility-related skills of Korean major centers, take part in a hands-on exercise, and come away with a clear view of the state of Neurogastroenterology and Motility today. Learn and update yourself on the A to Z of Neurogastroenterology and Motility in Korea.

KSNM EDUCATION SESSION

GRAND WALKERHILL SEOUL

It is located in northeastern Seoul, allowing you to enjoy clear views of the Han River and refreshing walks around Acha Mountain. In addition to tranquil moments surrounded by nature, the hotel's location also provides easy access to downtown and other attractions in less than 30 minutes by taxi or subway. The hotel's complimentary shuttle service runs every 10 minutes to nearby subway stations (Gangbyeon Station Line #2 or Gwangnaru Station Line#5).

INVITATION

On behalf of the Asian Neurogastroenterology and Motility Association and Korean Society of Neurogastroenterology and Motility, it is our great honor and pleasure to invite you to the ANMA & KSNM Joint Meeting 2019 (6th Biennial Congress of the Asian Neurogastroenterology and Motility Association in conjunction with the 2nd KSNM Education Program and 30th Annual Conference of the Korean Society of Neurogastroenterology and Motility), which will be held in Seoul, Korea from April 5 to 7, 2019.

The ANMA was founded in 2008 to pursue a standardized of care for patients suffering from gastro-intestinal (GI) motility disorders and functional GI disorders in Asia. This 1st congress was started in Seoul in 2009 and continues to grow with the cooperation of our Asian societies. And now, the 6th congress will be held in 2019 in Seoul, once more.

This event will incorporate a broad spectrum of multidisciplinary research with a diverse range of GI experts presenting on intensive subjects making for an excellent opportunity for active discussion and networking. ANMA & KSNM Joint Meeting 2019 will be the premier occasion to showcase the cutting-edge developments and innovations taking place around the globe.

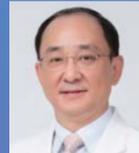

As our goal is to encourage and grow international collaboration research, we are sure that this will be a beneficial and unforgettable experience for all participants attending from around the world.

We look forward to seeing you in Seoul, Korea!
